## SANParks Reservations Centralised

South African National Parks (SANParks) has centralised its Reservations Office. All phone-in reservations will in future be handled by the Pretoria office. The number is +27 (0)12 343-1991. Reservations can also be made by e-mail - [reservations@parks-sa.co.za](mailto:reservations@parks-sa.co.za).

Capetonians who wish to make their reservations in Cape Town are welcome to visit the Captour Office on the corner of Burg and Castle Streets. Telephonic reservations will, however, not be handled by this office.

In addition, the public can make bookings on a 24-hour basis. A call to +27 (0)12 343-1991 will provide the number of the after-hours operator on duty.
