Skukuza Primary School gets bus

Skukuza Primary School now boasts a brand new bus thanks to a generous sponsorship.

The bus, a 15 seater Toyota HiAce, fills the desperate need the school has for the transport of its pupils to various events and sports meetings.

Says school headmaster, Mr Jannie Geldenhuys:

"We attend sporting events all over the place and this generous sponsorship means that our transport problems are a thing of the past."

The bus is sponsored by Vuswa Fleet Services, which is the Kruger National Park's outsourced fleet management company.

"It is a great pleasure to sponsor a vehicle of this sort for Skukuza Primary School's use as we know this vehicle will be of great use to this school," said Mr Clive Else from Vuswa.

One of the first important duties this bus will perform is the transport of the school's cricket team to Standerton to take part in a forthcoming tournament in that Mpumalanga town.
